Home of Leaders, Heroes, and Champions

Welcome Class of 2022

Welcome to the Husky family! This handbook contains information about your high school course selection, athletic programs, extracurricular activities, and important upcoming dates. Centennial High School Counselors will visit intermediate schools to meet with students to discuss and collect their course selections for next year (reference chart below). This handbook is also available online on the Centennial High School website. <https://centennialhighcounseling.weebly.com/incoming-9<sup>th</sup>-grade.html>. Please review the information with your student and be sure they bring the course selection form and if applicable, any other forms such as the athletic interest or Puente form on the scheduled date that counselors will meet with your student.

## Private and Community College Requirements

<b>Private Colleges</b>	Admission requirements will vary at each private college or university. For example, SAT subject tests may be required. Check college catalogs in the College and Career Center or go on-line for more information.
<b>Community Colleges</b>	Students must be 18 years old or have graduated from high school, or have passed the high school proficiency test and received the certificate. ***Taking a math class during 12 <sup>th</sup> grade is highly recommended as placements tests are required.

## Schedule Changes

It is in the best interest of all students and teachers to have all schedule changes completed prior to the end of the first week of school. Students who attend Frosh Orientation in July are able to meet with their counselor to discuss any necessary schedule changes. Students are not able to customize their schedules for lunches, teachers, periods, etc. Honor and Advanced Placement courses are a one year commitment. Colleges do not want to see students change their coursework in the middle of the year, especially if they are succeeding.

# Get Involved!

Centennial has a wide range of clubs and athletics that students may join! Students will attend the annual "Club Rush" in early September to learn about all the clubs on campus they may be interested in joining. Students are encouraged to join one or more clubs, make a 4 year commitment, and run for a club office position. Some of the clubs will require a tryout or audition to join. Students can email club advisors for additional information @ [www.cnusd.k12.ca.us/cehs](http://www.cnusd.k12.ca.us/cehs). The athletics office will be able to provide more details on how to tryout for a sport. The advisors for the 2018-2019 clubs and athletic teams are listed below.

Berkeley, CA 94720

The Centennial High Puente Program is sponsored by the University of California Berkeley. As sister schools in the Corona-Norco community, Centennial and Corona High Schools identified a need to bring a program that would develop leaders on campus and in the community, promote the college going rate and further the academic culture of the school. The objectives of the Puente Program fall right in-line with the vision of our schools'. UC trained site-based teams help increase high school completion rates, help meet college entrance requirements, and help develop dynamic leaders in Riverside County.

The University of California, Riverside (UCR) and the Centennial Puente Program are educational partners. UCR and the Centennial Puente Program are preparing all Puente students for college and career readiness.

# HUSKY ATHLETICS

**Athletic Director:** Mr. Bill Gunn (951) 739-5692 [wgunn@cnusd.k12.ca.us](mailto:wgunn@cnusd.k12.ca.us)

- A 2.0 Grade Point Average (GPA) at the end of eighth grade is required to participate in athletics
- Physical Exams will be on **May 16, 2018, 3pm-6pm** for all athletes who wish to participate for the '18-'19 school year. Physicals are \$35 and will be in the main gym. Physical exams are valid for every sport and for the entire year. All students must complete the appropriate paperwork and have a sports physical in order to try out for a sport.
- Summer Camps for all sports will begin following the middle school's graduations and run approximately four weeks. Check the athletics web site for more information.

Most sports require a tryout and the coaches determine who makes the team. After tryouts, coaches will inform counselors of athletes to be placed in the athletic sport class. Not all sports have Athletic sport classes scheduled during the school day. Counselors will place students in the appropriate sports class if the student's schedule permits. Academic classes always have priority. Athletes should check with their teacher for any home or class work prior to missing class for a sports activity. Should a student quit a sport or become ineligible in the middle of a sport season, they must remain in the sports class until the end of the semester and participate in physical education activities. Being on a sports team is a major commitment of time and energy. Please be committed to the team and prepared to participate in practices. Also take into consideration the added travel time for away games.

Dear Incoming Ninth Grade Students/Parents,

On behalf of Centennial High School I want to take this opportunity to welcome you to the HUSKY Athletic family. For over 25 years, Centennial High School has had a proud tradition of developing tremendous student athletes who excel in the classroom as well as on our playing fields.

It is our belief that students who are engaged in extra-curricular activities promote a positive cultural climate on our campus. Students involved in athletics learn valuable life lessons such as, teamwork, commitment, and the value of hard work. Centennial High School offers 23 different sports over the course of the school year and we feel confident that we have a sport for every student who chooses to participate. Whatever your interests may be, Centennial has a sport for you!

It is my hope that you will join the Husky family by taking advantage of the many opportunities afforded you here at Centennial. On the back of this form, please fill out the appropriate information and check any areas of sport you may be interested in. This information will be passed along to the Head Coaches of the various sports you have interest in and they will contact you in regards to summer programs, tryouts and other pertinent information.

Should you have any questions, please feel free to call me in the Athletic office at (951) 739-5692. I look forward to meeting with you next school year as we embark upon another successful academic and athletic campaign.

Sincerely,

Bill Gunn  
Assistant Principal Athletics
